

THE ^{SCHRADETZ} ~~DICKINSON~~ TIMES

Objective:	What Students will Learn this Week								
READING	This week we will work on summarizing the stories that we read. Students will read a variety of fiction and nonfiction stories.								
MATH	Students are working through Unit 4 which focuses on decimals. They will work on ordering and comparing decimals as well as adding and subtracting decimals. Please keep practicing your math facts!								
CONTENT	We had a wonderful "Scientist of the Week" projects. Thank you Siri for sharing your experiment. We will continue with our nutrition/physical fitness unit.								
WRITING	The students are going through the writing process with another personal narrative story. They are working hard on using topic sentences and details in their work. We will also be blogging about our turkey's this week.								
WORD STUDY	<p>Long and short o patterns</p> <table border="0"> <tr> <td>1. modern</td> <td>5. toaster</td> </tr> <tr> <td>2. soldier</td> <td>6. product</td> </tr> <tr> <td>3. roadway</td> <td>7. almost</td> </tr> <tr> <td>4. poster</td> <td>8. unload</td> </tr> </table>	1. modern	5. toaster	2. soldier	6. product	3. roadway	7. almost	4. poster	8. unload
1. modern	5. toaster								
2. soldier	6. product								
3. roadway	7. almost								
4. poster	8. unload								
Other	<p>Check out your child's blog, go to: http://kidblog.org/class/dickinsons</p> <p>Click "join" Join Code: 96misy2</p> <p>As the weather starts to get colder please make sure your child is bringing proper outdoor clothing. :)</p>								

OUR MOTTO
Believe and You can Achieve!

Week of:
Nov 14 - Nov 18
