

SCHRADETZ ~~THE DICKINSON~~ TIMES

Objective:	What Students will Learn this Week
READING	This week during reading our focus will be on sequencing and determining text importance. Don't forget to mark off your nightly reading minutes on your reading calendar!
MATH	Students continue to work through unit 3. Please take 5 minutes every night to study multiplication and division facts with your child.
CONTENT	We continue to focus on our social/emotional unit.
WRITING	The students will write a personal narrative story about their adventures at Historyfest.
WORD STUDY	Students will not have new words due to the short week.
Other	Next Monday, October 24th is McEducator night at McDonald's. Starting next week the newsletter is going digital. If you would still like a paper copy please let me know.
