

# SCHRADETZ ~~THE DICKINSON~~ TIMES

Objective:	What Students will Learn this Week								
READING	This week during reading our focus will be on sequencing and determining text importance. Don't forget to mark off your nightly reading minutes on your reading calendar!								
MATH	Students continue to work through unit 3. Please take 5 minutes every night to study multiplication and division facts with your child.								
CONTENT	We will wrap up our social/emotional unit.								
WRITING	The students will edit their personal narrative stories and will type their final copy this week.
