

# SCHRADETZ ~~THE DICKINSON~~ TIMES

Objective:	What Students will Learn this Week								
READING	We will focus on identifying the main idea this week while reading biographies.								
MATH	Students will be focusing on using and organizing data. Please remember to practice math facts as well!								
CONTENT	We had another wonderful "Scientist of the Week" project. Thank you Ashley for sharing your experiment. We continue to focus on our social/emotional unit.								
WRITING	Students will finish their personal narrative story this week and will type their final copy.								
WORD STUDY	<p>Word Study test will be on Thursday</p> <table border="0"> <tr> <td>1. stronger</td> <td>5. healthiest</td> </tr> <tr> <td>2. crazier</td> <td>6. luckiest</td> </tr> <tr> <td>3. juicier</td> <td>7. roughest</td> </tr> <tr> <td>4. lazier</td> <td>8. greasiest</td> </tr> </table> <p>Students will complete one activity daily to prepare for the test.</p>	1. stronger	5. healthiest	2. crazier	6. luckiest	3. juicier	7. roughest	4. lazier	8. greasiest
1. stronger	5. healthiest								
2. crazier	6. luckiest								
3. juicier	7. roughest								
4. lazier	8. greasiest								
Other	Our field trip is this Friday!!! Please send a lunch with your child if you did not sign up for one at school. Also, make sure to dress for the weather on Friday! We will be spending our day outside.
