

# SCHRADETZ ~~THE DICKINSON~~ TIMES

Objective:	What Students will Learn this Week								
READING	We will focus on identifying the main idea this week in reading as we read a variety of different stories.								
MATH	Students will finish our geometry unit and begin unit 2 this week.								
CONTENT	We had another wonderful "Scientist of the Week" project on Friday. Thank you Connor for sharing your experiment. We continue on unit 1 of health, which focuses on the social and emotional health.								
WRITING	Students will begin writing their first personal narrative story. This week they will edit and revise their first draft.								
WORD STUDY	<p>Word Study test will be on Friday</p> <table border="0"> <tr> <td>1. close-up</td> <td>5. one-sided</td> </tr> <tr> <td>2. get-together</td> <td>6. well-being</td> </tr> <tr> <td>3. twenty-one</td> <td>7. in-depth</td> </tr> <tr> <td>4. high-tech</td> <td>8. life-size</td> </tr> </table> <p>Students will complete one activity daily to prepare for the test.</p>	1. close-up	5. one-sided	2. get-together	6. well-being	3. twenty-one	7. in-depth	4. high-tech	8. life-size
1. close-up	5. one-sided								
2. get-together	6. well-being								
3. twenty-one	7. in-depth								
4. high-tech	8. life-size								
Other	Just a reminder that all fundraiser materials (extra books and money) need to be returned to school by September 30th. Thank you for your support with the fundraiser! :)

Dear Fourth Grade Families,

As you may have heard Mrs. Dickinson had her baby. My name is Justine Schrader and I will be your child's 4th grade Long-Term Substitute teacher from now until a little before winter break. This will be my 1st time at Monroe, for the last 2 years I have been working with teachers helping them engage students using technology. Prior to that I spent 6 years teaching a variety of grades and subjects at Loyola and before coming to Mankato I taught 6th grade for 2 years in West Saint Paul.

I currently reside in Mankato with my husband and two daughters, Elsa and Annaliese. During my spare time I enjoy reading, camping, hiking, arts + crafts projects, making truffles, spending time with friends, and facetimeing with my family in Washington State, which is where I grew up.

I'm looking forward to getting to know you and your child in the coming weeks. We will have many wonderful experiences and opportunities to learn and grow in the days ahead.

If you have any questions, concerns, or just want to say hello, don't hesitate to contact me via email at [jschrader@isd77.k12.mn.us](mailto:jschrader@isd77.k12.mn.us).

 Justine Schrader
